ENGLISH COCKER SPANIEL CLUB OF AMERICA

2012 National Cocker Championship
Mount Washington Valley – Maine and New Hampshire

Dear Cocker Owners and Supporters of the NCC,

The 2012 NCC Committee from the Maine club has been busy getting everything in order for the upcoming Cocker National this October. The picturesque Mt. Washington Valley in New Hampshire and Maine offers outstanding hunting covers for the dogs plus all the people amenities in the North Conway area.

This year yours truly took on the task of the NCC trophies. Maine and New Hampshire are known throughout the world for their granite; New Hampshire is even called the "Granite State". I thought it would be appropriate if all the awards this year would be created from granite and that is what we have done.

Last year many of you generously sponsored the awards for Placements and High Points. We hope you will be interested in doing that again this year. All awards are black granite etched with the picture of a Black English Cocker with English woodcock plus the inscription for the award – very handsome. Your donation made out to the "ECSCA NCC 2012" and mailed to me at P.O. Box 303, Tenants Harbor, ME 04860 would be greatly appreciated. Just let me know your choice of award prior to mailing your check at talefeathers1@gmail.com.

We thank you for your consideration and hope to see you in October.

Best Regards,
Barbara Haupt
